Web Design

Wireframing

Experience

2017

Sept - Present

Qwentès Italia Srl

UX/UI Design Intern

Assisted the Web Design team to develop user-centered digital interfaces. Participated in design iteration sessions to improve designs and make necessary adjustments required by clients. Throughout the internship, I was responsible for the conceptualisation and development of wireframes, page layouts, as well as generating prototypes for both mobile and desktop devices.

2015

May - Sept

BMO Financial Group

UX Design Intern

Worked on the User Experience Design team and assisted with the Capital Markets redesign process. As a part of this team, I was able to develop and review wireframes, present design concepts, and participate in a variety of UX research practices to produce user centric designs.

Education

2016-2017
